It is seen from the progress report on the works undertaken from the Special Grant for the month of August 1944 that the construction of the Bus shelter at Thirthahalli has been completed The Bus shelter at Sagar has also been completed and the building is in use The construction of latrines is the only item remaining to be done Regarding the Bus shelter at Agumbe it is reported that the roofing of the building is put up and that the remaining works are nearing completion

The construction of Bus shelters at Hassan and Saklespur which was undertaken under the Special Grant scheme has been completed and the buildings have been handed over to the concerned authorities for maintenance as desired by the Deputy Commissioner, Hassan District

Regarding the maintenance of the Bus stands at Thirthahalli, Sagar and Agumbe, it is reported by the Superintending Engineer that the Deputy Commissioner, Shimoga District who was consulted in the matter has stated that these bus shelters may be maintained by the Public Works Department itself
